

Memo – HPVC2017-111 External Contracted Medical Imaging Services: Supplementary

7 September 2023

The External Contracted Medical Imaging Services Team wish to provide you with an update regarding HPVC2017-111 (External Contracted Medical Imaging Services).

The Master Services Agreement currently expires on the 31-March-2025, HSV will be running a supplementary for an annual panel refresh to onboard any new suppliers in the market to be part of the current panel. Any suppliers on the current panel will continue to remain on the panel.

HSV have published the Pre-Tender notification on the 7 September 2023 via Buying for Victoria Tenders Portal (formerly TendersVIC).

The ITS will open on the 14 September 2023 through the HSV procurement portal (Jaggaer) and will close on the 13 October 2023. HSV will then onboard any successful suppliers to the panel and provide further communication on the outcome of this ITS.

Should you have any queries or concerns, please reach out via the helpdesk - helpdesk@healthsharevic.org.au

Yours Sincerely

HSV External Contracted Medical Imaging Services Team
