HPVITS2025-079 (IVADANCC)

Intravenous Access Devices, Administration and Neural Connector Consumables (IVADANCC)

Industry Briefing

An Industry Briefing will be held for the upcoming Intravenous Access Devices, Administration and Neural Connector Consumables (IVADANCC) request for tender. The Briefing will provide general information including overview, draft specifications and provide detailed information on how to complete the response via the HSV Procurement Portal (also known as JAGGAER). It is advised that those responsible for completing the submission attend this Briefing, so they are well informed.

Date: Wednesday, 9 October 2024

Time: 1:30pm to 230pm

Location: Online meeting hosted on Eventbrite-Microsoft Teams:

Registration details: <https://www.eventbrite.com/e/industry-briefing-by-healthshare-victoria-hpvits2025-079-ivadanc-tickets-1034488341477>

Register your interest (max. 5 attendees) via the link to the Eventbrite registration link.

The tender is anticipated to be released to the market around 16 October 2024. When available, documentation will be available from the HSV Procurement Portal. Suppliers are required to register on the HSV website prior to being able to access documentation.

To register for a supplier account: <https://healthsharevic.org.au/register/>, and contact our Helpdesk if you need support at helpdesk@healthsharevic.org.au.
