INTRODUCTION

Health Purchasing Victoria is pleased to introduce a new contract for the supply of **Surgical Instruments Open & Laparoscopic** to all Victorian Health Services (as defined below).

Public Hospitals (as defined in Schedule 1 of the Health Services Act (Victoria) 1988. and

Public Health Services (as defined in Schedule 5 of the Health Services Act (Victoria) 1988)

The purpose of this User Guide is to provide to end-users:

1. Details of the products and pricing covered by this Agreement
2. Contact details of the Contractors covered by this Agreement,
3. Any special terms and conditions agreed to with each respective Contractor, and
4. HPV's Terms and Conditions of particular note to the Health services.

The Surgical Instruments Open & Laparoscopic Product Reference Group (PRG), in association with Health Purchasing Victoria, devised the contracting strategy. The PRG determined the range of products to be included on the contract and made recommendations as to which suppliers should be appointed. The contract period is from **9 February 2019 to 8 February 2023**, with an option for a further **1 x 2 years**. This contract provides for consistent pricing across the State on a Free into Store basis.

It is intended that this period contract will provide all Victorian Public Hospitals with the opportunity to purchase their needs at the most economic rates, taking into account such concepts as product performance, value for money and supplier support.

Health Purchasing Victoria is responsible for the ongoing administration of this contract. If you have any questions relating to its administration, please contact:
