

HPVITS2023-009 Continence Management Products

New Category Number	New Category Description	New Subcategory Number	New Subcategory Description	Previous Sub Categories	Sales Data Requirement from ITS respondent (01/07/2021 to 30/06/2022)
01	Urine Drainage Bags, Bedside Type, with sampling port	01.01	Urine Drainage Bags, Bedside Type, No Drainage Port, Non-Sterile	HPVC2016-009 01.01	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
01	Urine Drainage Bags, Bedside Type, with sampling port	01.02	Urine Drainage Bags, Bedside Type, With Drainage Port, Non-Sterile	HPVC2016-009 01.02	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
01	Urine Drainage Bags, Bedside Type, with sampling port	01.03	Urine Drainage Bags, Bedside Type, With Drainage Port, Non-Return Valve, Sterile	HPVC2016-009 01.03	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
01	Urine Drainage Bags, Bedside Type, with sampling port	Not Applicable	Not Applicable	HPVC2016-009 01.04	Not Required
01	Urine Drainage Bags, Bedside Type, with sampling port	01.04	Urine Drainage Bags, Bedside Type, With Drainage Bag, Non-Return Valve, Measuring Burette, Sterile	HPVC2016-009 01.05	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
02	Urine Drainage Bag Holders, Bedside Type	02.01	Urine Drainage Bag Holders, Bedside Type, For Suspension	HPVC2016-009 02.01	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
02	Urine Drainage Bag Holders, Bedside Type	02.02	Urine Drainage Bag Holders, Bedside Type, Floor Standing	HPVC2016-009 02.02	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
03	Urine Drainage Bag Holders, Bedside Type	Not Applicable	Not Applicable	HPVC2016-009 03.01	Not Required
03	Urine Drainage Bag Holders, Bedside Type	Not Applicable	Not Applicable	HPVC2016-009 03.02	Not Required
03	Urine Drainage Bag Holders, Bedside Type	Not Applicable	Not Applicable	HPVC2016-009 03.03	Not Required
03	Urine Drainage Bags, Leg Type	03.01	Urine Drainage Bag, Leg Type, Sterile, With Needleless Sampling Port	HPVC2016-009 03.04	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
03	Urine Drainage Bags, Leg Type	03.02	Urine Drainage Bag, Leg Type, Non-Sterile, With Backing Layer	HPVC2016-009 03.05	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
03	Urine Drainage Bags, Leg Type	03.03	Urine Drainage Bag, Leg Type, Sterile, With Backing Layer	HPVC2016-009 03.06	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
03	Urine Drainage Bags, Leg Type	Not Applicable	Not Applicable	HPVC2016-009 03.07	Not Required
03	Urine Drainage Bags, Leg Type	03.04	Urine Drainage Bag, Leg type with Leg Straps, Sterile	HPVC2016-009 03.08	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
03	Urine Drainage Bags, Leg Type	03.05	Leg Straps for Urine Drainage Bags, Leg Type	HPVC2016-009 03.09	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
04	Leg Type Urine Drainage Bag, Strap and Holders	Not Applicable	Not Applicable	HPVC2016-009 04.01	Not Required
04	Leg Type Urine Drainage Bag, Strap and Holders	Not Applicable	Not Applicable	HPVC2016-009 04.02	Not Required
04	Leg Type Urine Drainage Bag, Strap and Holders	Not Applicable	Not Applicable	HPVC2016-009 04.03	Not Required
04	Leg Type Urine Drainage Bag, Strap and Holders	04.01	Legging Type, Without Non-Slip Backing Layer	HPVC2016-009 04.04	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
05	Male Incontinence Sheaths (external urinary catheter)	05.01	Male Incontinence Sheath, Latex, One Piece	HPVC2016-009 05.01	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
05	Male Incontinence Sheaths (external urinary catheter)	05.02	Male Incontinence Sheath, Latex, Two Piece	HPVC2016-009 05.02	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals

05	Male Incontinence Sheaths (external urinary catheter)	05.03	Male Incontinence Sheath, Non-Latex, One Piece	HPVC2016-009 05.03	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
05	Male Incontinence Sheaths (external urinary catheter)	05.04	Male Incontinence Sheath, Non-Latex, Two Piece	HPVC2016-009 05.04	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
06	Indwelling Urethral Catheters	06.01	Indwelling Urethral Catheters, Latex, 2 Way, 30ml Balloon, Male Length	HPVC2016-009 06.01	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
06	Indwelling Urethral Catheters	06.02	Indwelling Urethral Catheters, Latex, 2 Way, 5/10ml Balloon, Male Length	HPVC2016-009 06.02	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
06	Indwelling Urethral Catheters	06.03	Indwelling Urethral Catheters, Latex, 3 Way, 30ml Balloon, Male Length	HPVC2016-009 06.03	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
06	Indwelling Urethral Catheters	06.04	Indwelling Urethral Catheters, Non-Latex, 2 Way, 30ml Balloon, Male Length	HPVC2016-009 06.04	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
06	Indwelling Urethral Catheters	06.05	Indwelling Urethral Catheters, Non-Latex, 2 Way, 5/10ml Balloon, Male Length	HPVC2016-009 06.05	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
06	Indwelling Urethral Catheters	06.06	Indwelling Urethral Catheters, Non-Latex, 3 Way, 30ml Balloon, Male Length	HPVC2016-009 06.06	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
06	Indwelling Urethral Catheters	06.07	Indwelling Urethral Catheters, Non Latex, , 3 Way, > 30ml Balloon, Male Length	HPVC2016-009 06.07	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
06	Indwelling Urethral Catheters	06.08	Indwelling Urethral Catheters, Non Latex , 2 Way, 5/10ml Balloon, Female Length	HPVC2016-009 06.08	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
06	Indwelling Urethral Catheters	06.09	Indwelling Urethral Catheters, Latex, 2 Way, 5/10ml Balloon, Female Length	HPVC2016-009 06.09	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
07	Urethral Catheter Anchoring Devices	07.01	Urethral Catheter Anchoring Devices, Adhesive Type	HPVC2016-009 07.01	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
07	Urethral Catheter Anchoring Devices	07.02	Urethral Catheter Anchoring Devices, Strap Type	HPVC2016-009 07.02	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
08	Catheter Valves	08.01	Catheter Valve, Full Range	HPVC2016-009 08.01	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
09	Intermittent/Nelaton Urethral Catheters and Dilators	09.01	Intermittent/ Nelaton Urethral Catheters, Funnel Connector, Straight Tip, Male Length	HPVC2016-009 09.01	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
09	Intermittent/Nelaton Urethral Catheters and Dilators	09.02	Intermittent/ Nelaton Urethral Catheters, Funnel Connector, Straight Tip, Female Length	HPVC2016-009 09.02	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
09	Intermittent/Nelaton Urethral Catheters and Dilators	09.03	Intermittent/ Nelaton Urethral Catheters, Funnel Connector, Tiemann, Full Range Of Sizes	HPVC2016-009 09.03	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
09	Intermittent/Nelaton Urethral Catheters and Dilators	09.04	Intermittent/ Nelaton Urethral Catheters, Funnel Connector, Coude, Full Range Of Sizes	HPVC2016-009 09.04	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
09	Intermittent/Nelaton Urethral Catheters and Dilators	09.05	Intermittent/ Nelaton Urethral Catheters, Luer Sleeve Connector, Straight Tip	HPVC2016-009 09.05	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
09	Intermittent/Nelaton Urethral Catheters and Dilators	09.06	Catheter, Intermittent/ Nelaton, Self-Lubricating	HPVC2016-009 09.06	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals

10	Urodynamic Consumables	10.01	Catheters for Urodynamics	HPVC2016-009 10.01 (Not Awarded)	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
10	Urodynamic Consumables	10.02	Pump Tubing for Urodynamics	HPVC2016-009 10.02 (Not Awarded)	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
10	Urodynamic Consumables	10.03	Fluid Administration Sets	HPVC2016-009 10.03 (Not Awarded)	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
10	Urodynamic Consumables	10.04	Transducers and Transducer Pressure Domes and consumables	HPVC2016-009 10.04 (Not Awarded)	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
10	Urodynamic Consumables	10.05	Other Urodynamic Consumables	New Sub Category	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
11	Continence Pads & Stretch Pants for Continence Pads	11.01	Continence Pads, All in One	HPVC2016-009 11.01	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
11	Continence Pads & Stretch Pants for Continence Pads	11.02	Continence Pads, Insert Type, Non-Adhesive	HPVC2016-009 11.02	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
11	Continence Pads & Stretch Pants for Continence Pads	11.03	Continence Pads, Shield/ Guard, Male and Female	HPVC2016-009 11.03	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
11	Continence Pads & Stretch Pants for Continence Pads	11.04	Continence Pads, Booster Type	HPVC2016-009 11.04	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
11	Continence Pads & Stretch Pants for Continence Pads	11.05	Continence Pads, Belt Types	HPVC2016-009 11.05	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
11	Continence Pads & Stretch Pants for Continence Pads	11.06	Stretch pants for continence Pads, gender specific	New Sub Category	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
12	Stretch Pants for Incontinence Pads (Merged to Category 11)	Not Applicable	Not Applicable	HPVC2016-009 12.01	Not Required
13	Disposable Pull on pads – Protective underwear - Adult	13.01	Disposable Continence Pants, Full Range of Sizes	HPVC2016-009 13.01	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
14	Paediatric Nappies and Training Pants	14.01	Paediatric Nappies	HPVC2016-009 14.01	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
14	Paediatric Nappies and Training Pants	14.02	Training Pants	HPVC2016-009 14.02	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
15	Skin Care Products	15.01	Skin Care Products, Skin Cleanser	HPVC2016-009 15.01	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
15	Skin Care Products	15.02	Skin Care Products, Barrier Cream	New Sub Category	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
15	Skin Care Products	15.03	Skin Care Products, Barrier Cream with Dimethicone	HPVC2016-009 15.03	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
15	Skin Care Products	15.04	Skin Care Products, Protective Film	HPVC2016-009 15.04	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
15	Skin Care Products	15.05	Skin Care Products, Adhesive Remover	HPVC2016-009 15.05	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
16	Faecal Management Systems and Kits	16.01	Faecal Management System	HPVC2016-009 16.01	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals

16	Faecal Management Systems and Kits	16.02	Faecal Management System Accessories	HPVC2016-009 16.02	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
17	Rectal Tubes	17.01	Rectal Tubes, Single Use, Full Range of Sizes	HPVC2016-009 17.01	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
18	Underlay Protectors and Underpads	18.01	Underlay Protectors, Full Range of Plys and Sizes	HPVC2016-009 18.01	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
18	Underlay Protectors and Underpads	18.02	Underlay Protectors, Pulp filled or super absorbent polymer, Full Range of Sizes	HPVC2016-009 18.02	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
19	Spigots	19.01	Spigots	New Sub Category	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
20	Bladder evacuators	20.01	Bladder Evacuator, Non-latex, rubber Reservoir,	New Sub Category	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
20	Bladder evacuators	20.02	Bladder Evacuator, Plastic Bulb,	New Sub Category	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
20	Bladder evacuators	20.03	Bladder Evacuator, Silicone Bulb	New Sub Category	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
21	Supra-pubic catheters and kits	21.03	Supra-Pubic Catheter, Latex, 2 Way, 3/5ml balloon	New Sub Category	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
21	Supra-pubic catheters and kits	21.04	Supra-Pubic Catheter, Latex, 2 Way, 10ml Balloon	New Sub Category	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
21	Supra-pubic catheters and kits	21.05	Supra-Pubic Catheter, Non-Latex, 2 Way, 3/5ml balloon	New Sub Category	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
21	Supra-pubic catheters and kits	21.06	Supra-Pubic Catheter, Non- Latex, 2 Way, 10ml Balloon	New Sub Category	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
21	Supra-pubic catheters and kits	21.07	Supra-Pubic Insertion Packs	New Sub Category	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
22	Bedpans and urinals	22.01	Bedpan, disposable	New Sub Category	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
22	Bedpans and urinals	22.02	Bedpan, disposable, Slipper Style	New Sub Category	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
22	Bedpans and urinals	22.03	bedpans, reusable	New Sub Category	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
22	Bedpans and urinals	22.04	Urinal, male, disposable	New Sub Category	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
22	Bedpans and urinals	22.05	Urinal, male, disposable, Spill Proof	New Sub Category	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
22	Bedpans and urinals	22.06	Urinal, male, reusable	New Sub Category	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
22	Bedpans and urinals	22.07	Urinal, female, disposable	New Sub Category	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals

22	Bedpans and urinals	22.08	Urinal, female, disposable, Spill Proof	New Sub Category	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
22	Bedpans and urinals	22.09	Urinal, female, reusable	New Sub Category	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
22	Bedpans and urinals	22.10	bedpan and bottle covers, disposable	New Sub Category	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
22	Bedpans and urinals	22.11	Graduated Urine Measuring Insert	New Sub Category	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
23	Compact catheters	23.01	Compact Catheters, range of gauges and lengths, latex	New Sub Category	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
23	Compact catheters	23.02	Compact Catheters, range of gauges and lengths, non-latex	New Sub Category	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
24	Catheter Kits, Patient Discharge (take home)	24.01	Catheter Kits, Discharge pack, short term sterile	New Sub Category	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
24	Catheter Kits, Patient Discharge (take home)	24.02	Catheter Kits, Discharge pack, short term, non-sterile	New Sub Category	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
24	Catheter Kits, Patient Discharge (take home)	24.03	Catheter Kits, Discharge pack, long term, sterile	New Sub Category	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
24	Catheter Kits, Patient Discharge (take home)	24.04	Catheter Kits, Discharge pack, long term, non-sterile	New Sub Category	Required if product not on current HSV contract for Incumbent, and for new suppliers sales data for all products tendered for Vic Public hospitals
